

**Trailer Wash System**

**SC40006VAF GAS ENGINE/ DIESEL FIRED / T500S DUAL AXLE TRAILER / SURGE BRAKES**

The **TWG4** is a Self-Contained Trailer Cleaning Package which offers a versatile compact design ideal for remote cleaning or de-contamination use. It provides 540 Gallons of water to sustain many cleaning tasks when a water source may not be available. The super dual torsion axles suspension provides the smoothest ride available and prevents damage to equipment from a harsh ride. It is fitted with a rear storage compartment for accessories, tools etc

The fitted and fully plumbed SC40006VAF Gas Engine, Diesel fired Hot/Cold/Steam Pressure Washer provides 4000 psi @ 5.5 gpm and has a 21 hp Twin Cylinder Vanguard E/Start Engine with a 115v / 2900 Watt Generator to fire the burner. It also has 2 Power outlets to hook up lights for night work (lights not included) and is fitted with a Belt Drive A/R Pump.

In addition the package is supplied with an **APS50** Seal Saver Kit, **AR200** Stainless Steel HP Hose Reel, **AR201** Stainless Steel LP Hose Reel, **AG100** 100ft LP Hose, **ATC50** Lunette Eye and **EB78S** Sealed Battery.
